TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Agreement") is entered into as of September 29, 2009, between Micro Electronics, Inc. ("Assignee"), Circuit City Stores West Coast, Inc. a California corporation, Circuit City Stores, Inc., a Virginia corporation, and Courchevel, LLC, a Delaware limited liability corporation (collectively the "Assignors"). For purposes of this Agreement, each of Assignee and Assignors shall constitute a "Party" and, collectively, shall constitute the "Parties".

WHEREAS, the Assignee and Assignors are parties to an Asset Purchase Agreement, as amended (the "Purchase Agreement"), dated as of August 18, 2009. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Purchase Agreement.

WHEREAS, pursuant to the Purchase Agreement, Assignee is acquiring from Assignors the Acquired Assets, including all of Assignors' rights, title and interest in, to and under the United States and foreign trademarks and service marks and trademark and service mark applications and various state registrations and applications (together with all common law rights and goodwill associated therewith, collectively the "Marks") identified in Annex A attached hereto.

NOW, THEREFORE, in consideration of the foregoing, and the mutual agreements, provisions and covenants contained herein and in the Purchase Agreement, and subject to and in accordance with the Purchase Agreement, the Parties hereby agree as follows:

1. Assignment. Assignors hereby assign, convey and transfer to Assignee, and Assignee hereby receives, all of Assignors' rights, title and interest in, to and under the Marks, including all associated goodwill and the right to sue for and collect damages for infringements and past infringements thereof.
2. Recordation. The Parties agree that this Agreement may be recorded with the United States Patent and Trademark Office (the "PTO") or other governing authority, and similar offices and authorities in jurisdictions other than the United States, and the Parties hereby authorize the PTO, and such offices and authorities in jurisdictions other than the United States, to record this Agreement.
3. Further Assurances. From time to time after the Closing, without additional consideration, Assignors hereto will (or, if appropriate, cause their Affiliates to) execute and deliver such further instruments and take such other action as may be necessary or reasonably requested by Assignee to effectuate the assignment and transfer of the Marks.
4. Attorney-in-Fact. Assignors hereby appoint Assignee as their attorney-in-fact, with full authority in the place and stead of Assignors, and in the name of Assignors, solely to take any action and to create any instrument that may be necessary or desirable to register, effectuate, validate, record, maintain, perfect, enforce or defend this Agreement and Assignee's rights in the Marks.
5. Facsimile Signature; Execution in Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which together will constitute one (1) and the same agreement. Any counterpart may be executed by facsimile signature and such facsimile signature shall be deemed an original.
6. Governing Law. This Agreement shall be governed, including as to validity, interpretation and effect, by, and construed in accordance with, the internal laws of the Commonwealth of Virginia applicable to agreements made and to be performed entirely within such State, without regard to the conflicts of law principles of such State.
